Clubs Timetable – Autumn Term 2018

On the attached sheet is a list of school clubs which we are running in the Autumn Term 2018. We have also listed next to each club the year groups that the club is open to. Please note the following:

- If your child is not attending a session please inform the club leader directly.
- It is also absolutely essential that we have an up to date telephone number where you can be contacted in case of an emergency.
- In bad weather conditions outside clubs will continue to run inside the school.
- Should your child be absent from school, when you call in to report their absence, please also mention any clubs they would have been attending that day so we may mark the club register.
- If your child no longer wishes to belong to any club please firstly inform the club leader and then the school office.
- **Due to the number of school events held in December, there will be no clubs after 30th November 2018.**

Please read the list of clubs with your child and complete the form attached with the club/clubs your child would like to attend. Please return the completed form to the School Office ensuring that you have included your emergency contact details. Spare timetables and forms are available from the School Office and on the website. Offers of help with running a club from any parents would be gratefully received, we require a full DBS check to be carried out prior to participating.
