26<sup>th</sup> November, 2025

**IMPORTANT INFORMATION**  
**YEAR 5 BIKEABILITY SESSION DATES**

Dear Parents/Carers,

As you are aware, Bikeability Week for Year 5 is on Tuesday 2<sup>nd</sup> December, 2025. All children who are taking part will have a session on this day. Children will need to: be dressed in clothing suitable for riding a bike outdoors and bring their bikes and equipment into school on Tuesday. Children will need to enter through the staff carpark with their bikes and helmets and exit this way at the end of the school day.

**To remind you of information previously given, to take part in a Bikeability Course, riders must have the following:**

- A roadworthy bicycle that is in good working order and of the correct size. Please ensure that your child's bicycle is in a road worthy condition prior to training.
- Both front and rear brakes must be in full working order, the tyres must be in good condition and pumped up, the handlebars securely attached and fitted with bar end plugs.
- An approved correctly fitting cycle helmet. Please follow the guidance in the Cycle Right magazine attached and ensure your child's helmet is fitted correctly before training.
- Appropriate dress for the weather conditions (a waterproof coat if it is raining).
- **The Instructors have the right to refuse to train a pupil if the above criteria are not met.**

If you have any further questions, please refer to the Cycle Right magazine that is attached or contact the School Office.

Yours sincerely,

Mrs Denison
